STAFF TRAINING

ABC Care staff are selected for demonstrating leadership, enthusiasm, compassion and a respect for children and their families. 98% of ABC Care summer camp staff work for ABC Care year round. The remaining staff are public and private school teachers who return to ABC care each summer. All staff have had both a state and federal criminal background check. This includes First Aid/CPR, water safety (for swimming & all types of boating) and health & wellness training from our Health Supervisor. In addition, ABC Care staff complete 6-10 hours of training on supervision of children, field trip safety, emergency preparedness and developing a safe and FUN atmosphere for each camp day.
