## Policies

These policies have been written to ensure the health and safety of your children and the well-being of our program. If a family repeatedly breaks any policy/policies, we will be forced to exclude that family from our program.

### **Absenteeism**

**There is no reduction in fees if a child is absent.** If your child will not be attending on a regular attendance day, a written note or phone call to the center is required.

### **Admission**

Enrollment is open to all children, regardless of race, religion, national origin, disability, or special needs of the child. Children with disabilities or special needs will be evaluated on an individual basis upon application after the parent completes the All About \_\_\_\_\_ Form in the Registration Materials. The information provided on the All About \_\_\_\_\_ Form will allow the staff to make any reasonable modifications to the environment and/or curriculum to meet the needs of the child. ABC Care requests a copy of the IEP to be shared with the Site Director on our Enrollment Contract. ABC Care makes every attempt to provide the modifications stated in the child's IEP that apply to our childcare program. ABC Care can hold a conference with the family either in person or via phone to discuss the needs of the child and modifications prior to beginning care in our program. ABC Care Site Directors meet with school administration regularly. Should ABC Care be invited to attend an IEP meeting for a child in our care we would send a representative, preferable the Site Director to provide input, observations, and modifications appropriate for our childcare program. Should there be a need to provide special education services during the childcare program, arrangements would be made between the school administration, special education staff and ABC Care staff.

**ALL registration materials/required forms must be submitted online prior to the first day your child attends our center.**

The school age childcare program reserves the right to place a child in the group deemed appropriate to his/her age development.

At the time of registration, a non-refundable registration fee is due per family registering for that school year.

Prior to the first day of attendance in our program, two (2) notes must be written by the parent to be given to the child/ren's teacher and school office, making them aware of your child/ren's attendance schedule at ABC Care. Parents are responsible for notifying the school.

ABC Care childcare centers are licensed by Maryland State Department of Education Office of Child Care. ABC Care's compliance history may be viewed at [www.CheckCCMD.org](http://www.CheckCCMD.org) . If there should ever be a problem that has not been resolved or addressed by onsite staff or management and you wish speak to our licensing specialist or to file a complaint, you may contact the Region 6 Howard/Carroll County Office at 410-549-6498.

### **Arrivals and Departures**

Parents must bring their children into the center each morning and sign them "in". When picking up your children from our center, parents must sign them "out". We are required by the State to keep these records on file. This policy is strictly enforced for the safety and well-being of your children. Children will be released only to authorized persons 16 years or older and will be required to present identification. Curbside drop off and pickup used during COVID restrictions is not permitted at this time.

If someone else, unknown to staff, will pick up your child/ren, you must notify us in writing in advance and they will need to present identification.

If a pick-up occurs after the center's closing time, a fee of \$1 per minute will be charged to your SmartCare billing account and will be due along with the next month's payment.

No overnight care will be provided in an ABC Care childcare center.

## **Cell/Phone/Electronics/Screen Time Policy**

No cell phones, and/or handheld electronic devices (games, MP3 players, and iPods) from children's homes, will be allowed to be used at the center during before and after school childcare.

The types of screens available to children at the center are televisions, tablets, computers, etc. Before and After school age children may view no more than 30 minutes of age appropriate, educationally passive technology per week, such as a movie on the country/culture of the month, instruction in specialized subjects, or theme related educational material. Exceptions on occasion would be limited to special events, project components, rewards, and/or educational content related to lesson/activity plans. Most movies shown will be rated "G". Movies with a "PG" rating will require prior parental approval.

ABC care will keep a written record of movies shown, along with title, length of program, and reason for exception. ABC care staff will interact and engage children in questions regarding the media both during use and during Team Time interactions.

Movies or screen time will not be allowed during snack time unless such viewing is included in the child's Individualized Family Service Plan, Individualized Education Plan, or similar document. Children may not view any media with brand placement or advertising for unhealthy or sugary food and beverages.

Media is available to all school-age children in our program, however there will always be additional choices available, including, but not limited to: construction materials; blocks, Legos (and other such materials), hands-on science projects with hypotheses and conclusions, math games, interactive globes, numerous other science, technology, engineering and math materials, games and projects offered throughout the day. Social and emotional developmental games and projects are a key aspect of ABC Care programming throughout the day as well. ABC Care also provides numerous indoor and outdoor large muscle activities on playgrounds, black tops, fields, in cafeterias, and gymnasiums. Technology in our program will support, but not replace, these types of interactions and activities.

## **Communication with Families**

### **E-Mail**

ABC Care has e-mail (abccare@abccareinc.com) for your convenience. You may send billing inquiries, comments, concerns, or questions to us via our e-mail system. We ask that you please follow these basic procedures:

1. Give your child's name.
2. Give your name as it appears on your statement.
3. Give the name of the ABC Care center your child attends.
4. Leave a daytime phone number where you can be reached.
5. Be prepared for an up to two-day (48 hours) response time.

### **Family/Site Director Conferences**

Family/Site Director Conferences are offered each Fall and Spring. This is an opportunity for communication between the Director and the family to work collaboratively to meet the needs of the child. Open communication and an exchange of ideas on areas of strength and weakness within our program will be shared. In addition, the parent manual may be reviewed with families. The Director may meet with families in person or virtually on an individual basis to review the Child Engagement Checklist. Families of children who have received 2 or more Incident Reports within 2 months are encouraged to meet with the Site Director to review any patterns of behavior and ways to jointly address the child's needs. ABC Care reserves the right to request formal family conferences on an as needed basis.

### **Confidentiality/Release of Confidential Information and/or Records**

When ABC Care receives a request for the release of confidential information about a child, we will determine if the reason is valid. We obtain written authorization from the parents/guardians using the form *Permission to Send or Receive Student Records*, provide the parent with a copy of the authorization and keep a copy in the child's file. When ABC Care has received a court ordered subpoena; we are legally required to release information without parental consent.

### **Discipline**

Our staff uses a "Positive Approach" to discipline, constant verbal praise, individual and group behavioral incentive charts. We also use "Peace Table" areas, which place the angry or upset child away from the other children. There we complete think & reflect sheets with the child to teach him/her a positive way to approach the situation that just occurred.

Each center maintains its own rules and consequences to guide children's behavior and is supported by the ABC Care Behavioral Management Plan, which is part of the Registration Materials. The Behavioral Management Plan is re-distributed at the beginning of each school year.

### **Drop-In Policy**

ABC Care provides drop-in childcare for children who are registered for drop-in service only when openings are available. Any child who is enrolled in ABC Care can use this service. Please contact the main office at least 24 hours in advance of the date of service. Payment is due at the time of "sign-in" or "sign-out" of your child and a late fee will be charged for any drop-in services that are not paid in full at the time of service. Drop-in service may be denied if space is not available for your child.

### **Emergency/Accident Procedures**

In the event of a serious accident, we will administer first aid, contact emergency services, call parents or guardians and complete an accident report for parents to review, sign and take with them to their child's emergency healthcare provider. It is the parent's responsibility to keep telephone numbers and emergency contact people up to date on the Emergency Information Card. It is a State regulation that parents must update their children's Emergency Information Cards, Health Records and All About \_\_\_\_\_ Form on a yearly basis.

For less serious accidents that do not require emergency health professionals, ABC Care will administer first aid, and complete an accident report for parents to review and sign.

### **Field Trips/Transporting Children**

Before a child may attend a field trip, a parent or guardian needs to sign the child's permission slip and return it to the center's Director.

Some trips are recreational in nature such as: bowling, ice cream shops, Mexican/Chinese restaurants, putt-putt golf... Other types are enrichment activities, but also fun, such as: Humane Society, Piney Run/Bear Branch Nature Center, and tours of various business establishments.

It is necessary to charge for all trips to cover costs for insurance and additional staff.

On days that we provide All Day Child Care, we will utilize licensed school buses for our field trip.

## Health & Wellness

### COVID -19

ABC Care will be following the COVID-19 Guidance for Child Care Facilities set forth by the Maryland Department of Health & The Maryland State Department of Education. The full document can be found by clicking on COVID GUIDANCE on our website and/or a copy will be at each center.

### Illness

Children who are ill and arrive at the center will not be accepted. If the school nurse requests your child be picked up because of illness, you must pick your child up before school closes. If a child becomes ill at the center, and we must contact you, your child must be picked up within one (1) hour.

Childcare regulations require a doctor's statement verifying that your child is healthy enough to return to the center after he/she has been absent for five (5) consecutive days due to illness. After any illness lasting less than three (3) consecutive days, the State Regulation requires a parent statement verifying that the child is healthy enough to return to the center. Children are required to be fever free for 24 hours without medication.

### Medication

Medication will be given on All Day Care situations or in the event of an emergency, such as Asthma or Allergic Reactions (i.e. bee stings, etc.). All Directors and Assistant Directors have taken a Medication Administration Training as required by the State regulations.

We, at ABC Care, Inc. recommend the use of the School Health Nurse. Timing medication in such a way that dosages are not needed during ABC Care's Before and After School Program time periods is strongly advised.

**The proper OCC Medication Authorization Form must be completed in full by the parent and doctor if medication is needed during an All-Day Care situation. This form must be given to the Director in charge. If you need a Medication Authorization Form, please see the Site Director of your child's center.**

## **Nutrition**

Snacks are available to the children in both the morning and afternoon programs. ABC Care complies with the guidelines of the Child and Adult Care Food Program of the US Department of Agriculture. A minimum of two food groups are provided for the children along with milk or fruit juice and water each AM and PM session. The snack bars are available to the children for approximately 30 minutes in the mornings and an hour and a half in the afternoons. Snack menus are posted on our Parent Bulletin Boards. Families are permitted to send in food from home. ABC Care is sensitive to children with special diet and/or allergies. Children must eat at the snack table and the staff will be aware of any allergies at the location taking appropriate precautions. The staff reserve the right to limit and/or not permit children to eat or drink unhealthy snacks or drinks brought from home (i.e. a soda or several Twinkies) during our program.

## **Physical Fitness**

It is a Maryland State regulation that every day each child must go outside to play, weather permitting (**not raining or snowing at that moment**). We cannot leave a child indoors alone. If a child is not well enough to go outdoors, he/she is not well enough to attend the center. Large muscle activity is a part of our regular programming activities. We may utilize the gym, cafeteria, or outdoor space to meet this requirement.

## **Holiday Closings**

Centers will be closed for the following holidays:

New Year's Eve	Thanksgiving Day
New Year's Day	Day after Thanksgiving
Good Friday	Christmas Eve
Memorial Day	Christmas Day
Labor Day	

## **Inclement Weather Policy**

We will utilize our One Call Now texting system to send messages to parents in the case of inclement weather or other emergency situations. We will also post this information on our website.

\*If Carroll County Public Schools and Carroll County Public Schools Central Offices are closed, ABC Care will also be closed.

## **Inclement Weather Delays:**

**When Carroll County Public Schools delay opening by two (2) hours, ABC Care will open 2 hours late on site as well. In the case of a re-evaluation by the school system, ABC Care will adjust based on the re-evaluation announcement to either open or close for the day.**

If the conditions are not extreme and Carroll County Public Schools Central Offices are open, but Carroll County Public Schools are closed for the day due to snow/ice conditions, ABC Care may open one an inclement weather site. Start times will be on the text message sent out to parents and on the website as well.

The inclement weather site location is:

**Deer Park United Methodist Church**

2205 Sykesville Road  
Westminster, MD 21157  
Phone: 410-984-3646

If the conditions worsen, it is possible ABC Care will close early; you will receive a phone call and/or text if this should occur.

**Early Dismissal:**

If the school system dismisses school early due to weather conditions, we are notified and will be in the center when the children are dismissed. It should be understood that if the weather is bad enough to close schools, our lease with Carroll County Public Schools requires us to close early as well/based on number of hours school was dismissed early. i.e. 2 hour early snow dismissal-ABC Care closes 2 hours early. This allows for both your family and our staff to get home safely.

**Center Closings:**

If the weather is severe enough and schools are closed, it will be necessary for the centers to possibly even close altogether. These decisions are never easy to make and are based primarily on whether or not the staff can safely get to the centers.

**We would like to emphasize that we do our best to get the center open as soon as possible. In extreme cases such as ice covered roads, 3 inches of snow with weather predictions of additional snow that day, WE WILL BE CLOSED.**

**Additional Charges:**

Additional charges do apply in the event of an All Day Care or Snow Day due to public school closings.

**Scheduled Early Dismissals**

On days when schools have early dismissals due to scheduled professional time for County teachers, ABC Care will offer extended care to those students enrolled for that afternoon. There are no registration forms for these days. If your child needs to attend a scheduled early dismissal and is not registered for this day in his/her regular schedule, a fee will be charged.

### **Lost or Stolen Items**

Children are discouraged from bringing expensive or cherished toys to the center. ABC Care is not responsible for lost or stolen items.

### **Pets**

ABC Care Inc.'s centers do not have pet animals within the center excluding fish or hermit crabs. If we invite children to "share" their pet within our center, a written notice would be sent out to all the centers families at least 48 hours prior to the pet "sharing" day.

### **Program Orientation**

Children will be oriented on their first day to procedures in the center, i.e. where to put their belongings, the daily schedule, staff member's names, etc. Families are encouraged to get to know the staff through our website. Parents can also contact the office for names/contact information of families currently using our services for a reference.

The director and staff are responsible for the safety of children and will coordinate actions and/or requirements with community public safety officials and parents/guardians. By respecting the child's feelings and involving them where possible in recovery activities, staff can reduce their stress and anxiety.

## **Schedule Changes**

**A Schedule Change Form must be submitted to request any change** in your child's schedule. Such changes are defined as: deleting days, adding days, switching days of the week, or changing to Flex, Drop-In, or Withdrawal status. The form is available on our website under school forms and documents. A **30-day notice** is required before the change date is effective. During this period current tuition fees remain due. This policy applies to **all** changes, including any anticipated changes made known at time of registration.
