

# REFERRAL PROGRAM

This school year will be an exciting one at ABC Care. Why not enjoy it with your friends? If you know of a potential new family who has never attended an ABC Care before and after school year program, please submit their contact information using the form below. If your referral joins ABC Care Before and After this school year, you will receive a \$25 credit toward tuition.

Referred family need only to register and attend for 1 month for school year.

You must be a current registered family with your account in good standing when the referred family joins. Upon full payment by your referral, the referring family will receive their credit.
